Film Facilitation Cell

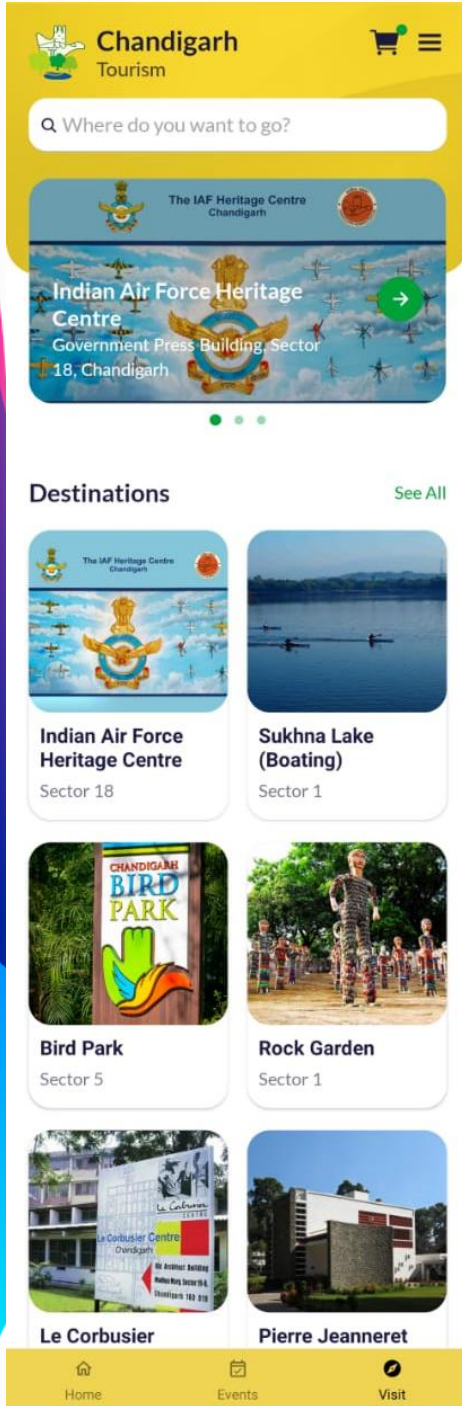

Film Facilitation Cell

The Film Facilitation Cell (formerly known as Bollywood Facilitation Cell) is a very important milestone in our efforts for promoting Cinematic Tourism in Chandigarh – The City Beautiful. Chandigarh Tourism has continued to provide speedy and excellent service through its Film facilitation Cell to the applicants seeking permission to shoot in Chandigarh since its inception in 2004.

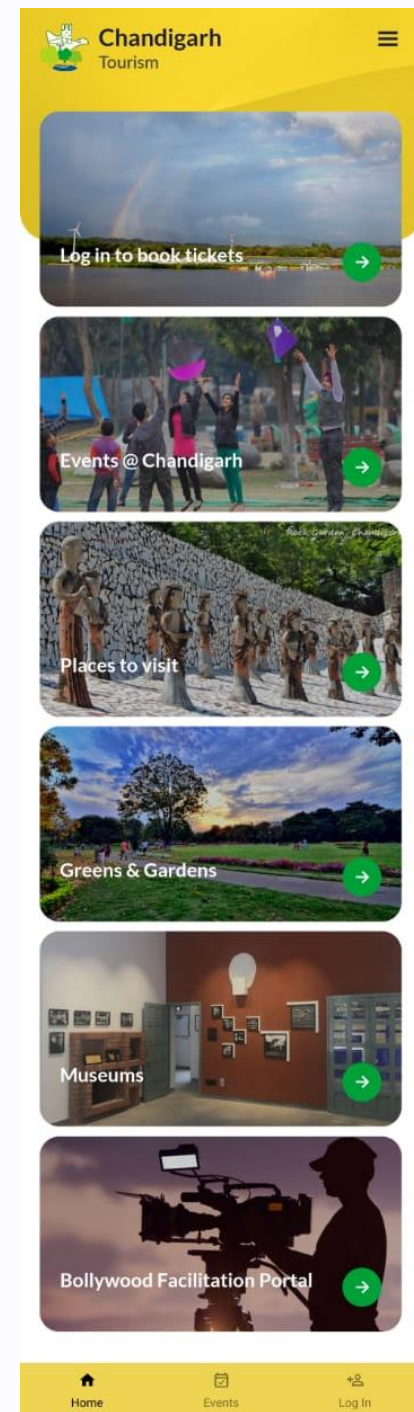

Earlier, the applicants had to visit the concerned departments to take NOC for film shooting. However, the Tourism Department, Chandigarh Administration through its Film Facilitation Cell initiated Single Window System which facilitated the applicants by providing all the necessary NOCs from departments concerned at a single spot. Subsequently, the inflow of Hindi, Regional movies and TV serial shootings has increased, thus giving a boost to Cinematic Tourism in Chandigarh.

To ease down the process and for better experience of the applicants, the Tourism Department, Chandigarh Administration has made permission for shooting fully online under Film Facilitation Cell w.e.f. 1st April, 2022 in which applicant can apply for shooting by creating their login ID and password and the permission is given to them.

Chandigarh Tourism App

A Mobile based Application for Android/iOS has also been launched for Unified Ticketing System for various tourist spots of Chandigarh wherein all the information & services regarding Chandigarh are available. They can book their tickets for multiple tourist spots and experiences in Chandigarh such as boating at Sukhna Lake, visit to Rock Garden, Bird Park and museums in a single ticket based on QR code.
